

The ERS Data System requires a tablet that meets the following requirements:

Component	Recommended
Memory	4 GB or higher
Operating System	Windows 10 with Windows Ink
Hard Disk	128 GB or larger
Pen	Digitizer/Active pen
Weight	4.00 lbs or less

NOTE: ERS Data System DOES NOT run on Android, Apple, or Windows 10 S Mode platforms

Our tech support staff would be happy to take a look at the tablet you are considering. You can email (erssupport@ersdata.com) a link to the tablet specs and we will let you know if it meets the requirements.

Our customers primarily use these tablets:

Lenovo (www.lenovo.com)
